1. **Offer; Acceptance; Exclusive Terms.** Each purchase order (Order”) issued by (“Buyer”) is an offer to the seller (“Seller”) identified therein for the purchase of goods and/or services (“supplies”) by buyer and includes and is governed by these Purchase terms. The order supersedes all prior agreement, orders, quotations, proposals, and other communications regarding the goods and/or services covered by the Order, except that a signed prior agreement (such as a Non-Disclosure Agreement) will continue to apply to the extent not directly in conflict with the order. Any other modification of these Purchase terms must be expressly stated in the Order. The Order does not constitute an acceptance of any offer or proposal made by Seller. Any reference in the Order to any offer or proposal made by Seller is solely to incorporate the description or specification of Supplies in the prior proposal, but only to the extent that the description or specification do not conflict with the description and specifications in the Order. Seller accepts these Purchase terms and forms a contract by doing any of the following: (a) commencing any work under the Order; (b) accepting the Order in writing; or (c) any other conduct that recognizes the existence of a contract with respect to the subject matter of the Order. The Order is limited and conditional upon Seller’s acceptance of these Purchase Terms exclusively and without modification. Any additional or different terms proposed by Seller, whether in Seller’s quotation, acknowledgement, invoice or otherwise, are unacceptable to Buyer, are expressly rejected by Buyer: and will not become part of the Order.

2. **Quantities; Delivery.** Quantities listed in each Order as the actual quantity agreed upon of Supplies it might purchase from Seller for the contract term specified in the order. Unless expressly stated on the face of the Order. Buyer is not required to purchase Supplies exclusively from Seller. Unless otherwise expressly agreed in writing by Buyer, the risk of loss passes from Seller to Buyer upon delivery to Buyer’s transportation carrier (or if shipment is by Seller or common carrier, then upon delivery to Buyer’s designated facility). With respect to deliveries to Buyer’s designated facility, “delivery” shall be defined to be the point in time at which: (i) the goods have passed applicable Buyer inspections. Time and quantities are of the essence under the Order. Seller agrees to 100% on-time delivery of the quantities and at the times specified by Buyer. As stated in the Order, except as otherwise expressly agreed in writing by the parties. Buyer may change the rate of scheduled shipments or direct temporary suspension of scheduled shipments, neither of which entitles Seller to modify the price for Supplies. Buyer is not obligated to accept early deliveries, late deliveries, partial deliveries, or excess deliveries.

3. **Invoicing and Pricing; Premium Freight.** Except as expressly stated in the Order, the price of Supplies includes storage, handling, packaging and all other expenses and charges of Seller. Except as otherwise stated in the Order, all Supplies are to be shipped prepaid, F. O. B. destination. All invoices for the Supplies must reference the Order number, type of good: quantity of pieces in the shipment, bill of lading number, Buyer’s part number(s) and other information required by Buyer. Buyer is not responsible for any business activity taxes: payroll taxes or taxes on Seller’s income or assets. Buyer shall pay any applicable sale taxes in connection with its purchase of Supplies: provided that Seller shall separately state the amount of such taxes on its invoices, collect them, and pay them over to the taxing authority. Seller shall pay all premium freight costs over normal freight costs if Seller needs to use an expedited method to meet agreed delivery dates due to its own acts or omissions. Seller will pay any costs incurred by Buyer as a result of Seller’s failure to comply with shipping or delivery requirements. Except as expressly stated in the Order: all pricing shall be expressed in United States dollars.

Buyer’s acceptance, inspection, or failure to inspect does not relieve Seller of any of its responsibilities or warranties. Nothing in the Order releases Seller from the obligation of testing, inspection and quality control. If defective Supplies are shipped to and rejected by Buyer: the rejected quantities will be promptly replaced by Seller with conforming quantities. In addition to other remedies available to Buyer: (i) Seller agrees to accept return, at Seller’s risk and expense at full invoice price, plus transportation charges, and to replace defective Supplies as Buyers deems necessary: and/or (ii) Seller will reimburse Buyer for all reasonable expenses that result from any rejection or correction of defective Supplies. Buyer may withhold payment pending receipt of evidence, in the form and detail requested by Buyer, of the absence of any liens, encumbrances: or claims on Supplies provided under the Order.
